

FINNEBROGUE WOODS

A venue like no other...

Finnebrogue Woods is a wedding venue like no other. Nestled in ancient woodland in the heart of County Down, our secluded setting is utterly breathtaking.

With views across the glistening lake, our magnificent Tipis offer a one-of-a-kind venue for your special day.

At Finnebrogue Woods we love weddings and are honoured that our family estate can be a part of your love story!

Current custodians, Ed and Rachael Lindsay manage the estate and both know a thing or two about weddings! Ed and Rachael's respective expertise in the wedding industry led them to develop Finnebrogue Woods into a unique and enchanting wedding venue, hosting its first wedding in August 2016.
